

SigmaCamp Recommendation

Teacher Recommendation from a Science or Math teacher
for a student applying to SigmaCamp 2023.

Student Name:

Student Registration ID:

The student who has given you this form is applying to attend SigmaCamp this summer. SigmaCamp is a one-week residential summer program for students 12 to 16 years old interested in Mathematics and Science.

In your recommendation please comment on the students problem solving skills and reasoning ability, willingness to accept a challenge of difficult problems and concepts, effort and determination, overall academic achievements, curiosity and potential. Also, please comment on the students character. Feel free to supply any additional information that will give us a more comprehensive picture of the student.

All information you provide will remain confidential and disclosed only to the Admissions Committee.

For more information about the application process or the program, visit our website at <http://www.sigmacamp.org>

You can submit your recommendation online following instructions at <http://sigmacamp.org/2023/apply/letters>

If you prefer, just give your recommendation letter to the student in a sealed envelope. If you have any questions, do not hesitate to contact us by e-mail at info@sigmacamp.org

Thank you for taking your valuable time to complete this recommendation! We hold your opinion in high regard in evaluating this student for his/her eligibility for our summer program. Your reactions are an important part of the candidates application.

Sincerely,
Elena Yakubovskaya
SigmaCamp Director
